Cosy Comfy Chic

Bridal Collection 2022/23

Ihr Lieben,

in unserem neuen Isi Lieb Lookbook steht alles unter dem Motto: Cosy Comfy Chic.

Denn uns ist es sehr wichtig, dass sich jede Braut in erster Linie wohl, als auch natürlich chic an ihrem Tag fühlt.

Wir designen unsere Zweiteiler Brautlooks in einem frei kombinierbaren Mix & Match Prinzip und achten so auf Persönlichkeit, Individualität und Nachhaltigkeit.

Unsere Aussage der Kollektion ist „soft, leicht & schön“ und spricht sowohl die Bräute an, die sich in „großen Brautkleidern“ verkleidet fühlen, als auch diejenigen, die für ihre standesamtliche Hochzeit etwas Besonderes suchen.

Unsere Nachhaltigkeit zeigt sich in unseren gut ausgewählten und zum Teil auch nachhaltigen ECO Materialien, als auch darin, dass sich viele Einzelstücke nach der Hochzeit wieder wunderbar in den Alltag integrieren lassen.

Findet eure Looks und probiert sie aus!

Have fun & L.O.V.E to stay yourself.
Euer Isi Lieb Team

My dears,

Everything in our new Isi Lieb Lookbook falls under the motto Cosy Comfy Chic.

The most important thing to us is, that every bride feels comfortable and naturally chic on her day.

We design our two-piece bridal looks as a Mix & Match concept, caring for personality, individuality and sustainability.

The statement of our collection is „soft, light & beautiful“ and appeals to brides who would otherwise feel too dressed up in „big wedding gowns“ and to those brides who are looking for something special for their civil wedding ceremony.

Our sustainability mission is reflected in our carefully chosen and partially sustainable ECO materials, and of course, our individual pieces can be integrated beautifully into everyday life again after the wedding.

Find your looks and try them out!

Have fun & L.O.V.E to stay yourself.
Your Isi Lieb team
